

# STOP HUMAN TRAFFICKING

Sex Trafficking and Commercial Sexual Exploitation of Children:  
What Every Educator Should Know

Trainer: Rachell Ekroos PhC APRN-BC AFN-BC

SEPT 18, 2015

1:00-3:00 PM

Richland Public Library  
955 Northgate Drive

## Education Objectives:

- provide attendees with a brief overview of human trafficking and sexual exploitation including common examples of child trafficking cases
- discuss potential physical and social behavioral indicators educators should be aware of concerning possible child victims of trafficking
- explore the role of technology in the enticement, recruitment and exploitation of child victims of human trafficking
- identify potential areas for system wide awareness building initiatives including student awareness and education
