

STOP HUMAN TRAFFICKING

Human Trafficking: A Seminar for Social Service Providers

Trainer: Rachell Ekroos PhC APRN-BC AFN-BC

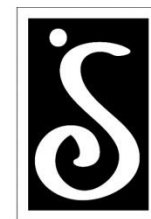

SEPT 18, 2015

9:00-11:00 AM

Richland Public Library
955 Northgate Drive

Education Objectives:

- provide attendees with a brief overview of human trafficking and sexual exploitation including examples of what trafficking “looks like” in our community
- discuss potential physical and social behavioral indicators social service providers should be aware of concerning possible child victims of trafficking
- explore the role of technology in the enticement, recruitment and exploitation of child victims of human trafficking
- identify needs of trafficking victims
- discuss evidence-based screening tools for identifying child trafficking victims within the child welfare systems
